The **ROSEMARY ELLIOTT HARDER '69 AWARD FOR CREATIVE LEADERSHIP** is conferred on a graduating student who has demonstrated creative leadership in the Student Union. The recipient is selected by a committee of faculty, staff, and students from a group nominated by their peers. The student must have a cumulative GPA of 3.5 and be in good standing.

The **MARION AND HENRY J. KNOTT ACHIEVEMENT AWARD** is conferred on one graduating student who has demonstrated outstanding academic performance, personal growth and development during their time at the University, and participation in a major project representative of Student Union life.

The **ELIZABETH MCWETHY AWARD** is conferred on one graduating student who has demonstrated creativity, innovation, and flexibility in the conception, organization, and execution of projects in the Student Union.

The **JOHN MITCHELL AWARD** is conferred on one graduating student who has demonstrated outstanding service to the University community and the Student Union.

Nominees for the Stang Award are evaluated on the degree of their contribution to the University community, and the degree to which their activities reflect the values of the Stang Award.
